

### Fem4Forest: Forests in Women's Hands

Uzhhorod, Zakarpatska, Ukraine

Mountain area ; Predominantly rural regions, close to a city

**Led by:** Slovenian Forest Institute  
**Dynamo partner:** D7 – Zakarpattya

EU Danube Region Program and donations

**Local services, health  
and wellbeing**

**Employment and  
employability initiatives  
Education**

#### Aim

Aim of the solution is to empower and increase competitiveness of female professionals in forestry and forest sector.

## Story

The solution is actually the international project, funded by the EU, aimed at learning the situation of female professionals in forestry and forest management as well as female forest owners, to scan best practices of women empowerment, develop and test certain tools, helping women to reach the career goals.

Impact of the project is based on elaboration and testing of the pilot actions, which improve situation of female forestry professionals as well as female forest owners. Communication is also a key component.

### CROSS-CUTTING PRIORITIES

Social justice and inclusion

### INNOVATION

Social, organizational and governance
